

# Great Lakes Seminar Series

Spatial variability and potential long-term trends in Great Lakes carbon

Wednesday, January 25, 2017

10:30 – 11:30 am ET

NOAA Great Lakes Environmental Research Lab  
Lake Superior Hall\*  
4840 S. State Rd. Ann Arbor, MI

Galen A. McKinley  
University of Wisconsin – Madison  
Atmospheric and Oceanic Sciences and  
Center for Climatic Research

\*Remote participation is available via webinar. To participate remotely, please register at:

<https://attendee.gotowebinar.com/register/8732706556168576513>

Once registered, you will receive a confirmation email containing information about joining the webinar.

Visit [www.ciler.snre.umich.edu](http://www.ciler.snre.umich.edu) for more information

## Important Visitor Information

All seminar attendees are required to receive a visitor badge from the front desk at the NOAA Great Lakes Environmental Research Laboratory facility. Attendees need to present a valid U.S. photo ID or green card.

If you are a **Foreign National** advance notification of at least 48 hours is needed so that security guidelines are followed. You will need to present your passport (a copy will NOT work).

For questions regarding building access, or assistance in obtaining Foreign National clearance, please call 734-741-2393. Email contact: [Tim.Powell@noaa.gov](mailto:Tim.Powell@noaa.gov)
