<https://attendeegotowebinar.com/register/4302585117583410187>**

Dr. Maureen Coleman

**Assistant Professor
Department of the Geophysical Sciences
University of Chicago**

Linking microbial communities and biogeochemistry across the Laurentian Great Lakes

IMPORTANT VISITOR INFORMATION

All seminar attendees are required to receive a visitor badge from the front desk at the NOAA Great Lakes Environmental Research Laboratory facility. Attendees need to present a valid U.S. photo ID or green card. If you are a Foreign National, advance notification of at least 48 hours is needed so that security guidelines are followed. You will need to present your passport (a copy will NOT work). For questions regarding building access, or assistance in obtaining Foreign National clearance, please call 734-741-2024 or email mike.ryan@noaa.gov.
