

# Oil Spills Under Ice – Challenges and Solutions

## Participants:

### ***Cooperative Institute for Great Lakes Research and the University of Michigan***

Ayumi Fujisaki-Manome, Assistant Research Scientist

### ***Great Lakes Environmental Research Laboratory, NOAA***

Steve Ruberg, Observing Systems Principle Investigator, Observing Systems and Advanced Technology Branch Lead

### ***Michigan State University***

Douglas Bessette, Assistant Professor, Department of Community Sustainability

Phanikumar Mantha, Professor, Department of Civil & Environmental Engineering

Robert Richardson, Professor, Department of Community Sustainability

Vlad Tarabara, Professor, Department of Civil & Environmental Engineering

### ***Lake Superior State University***

David Baumann, Professor, School of Engineering and Technology

Robert Hildebrand, School of Engineering and Technology

Edoardo Sarda, Assistant Professor, School of Engineering and Technology

### ***Michigan Technological University and Great Lakes Research Center***

Melissa Baird, Associate Professor, Department of Social Sciences

Guy Meadows, Director, Marine Engineering Laboratory

Trista J. Vick-Majors, Assistant Professor, Department of Biological Sciences, Great Lakes Research Center

### ***U.S. Coast Guard***

Brian Streichert, Preparedness Specialist

### ***Marine Pollution Control Environmental (<https://www.marinepollutioncontrol.com>)***

William E. (Bill) Hazel III, Vice President of Marine Services

### ***Little Traverse Bay Bands of Odawa Indians***

Caroline Moellering, Environmental Services Manager

### ***University of Waterloo (Waterloo, ON, Canada)***

Grant Gunn, Assistant Professor, Faculty of Geography & Environmental Management

Michelle Rutty, Assistant Professor, Faculty of Environment

**Teleconference session 1 (Oil spills in the Arctic)**

David Dickins, DF Dickins Associates, LLC, <http://dfdickins.com>

Amy KuKulya, Woods Hole Oceanographic Institution, [akukulya@whoi.edu](mailto:akukulya@whoi.edu)

Hossein Babaei, National Research Council Canada, [Hossein.Babaei@nrc-cnrc.gc.ca](mailto:Hossein.Babaei@nrc-cnrc.gc.ca)

**Teleconference session 2 (International perspectives)**

Hajime Yamaguchi, University of Tokyo, [h-yama@edu.k.u-tokyo.ac.jp](mailto:h-yama@edu.k.u-tokyo.ac.jp)

Natsuhiko Otsuka, Hokkaido University, [natsuhiko.otsuka@arc.hokudai.ac.jp](mailto:natsuhiko.otsuka@arc.hokudai.ac.jp)

TBD, UNIS, Svalbard, Norway (tentative)
